

Insanity

Charlette Hwang

Did I ever tell you what the definition of insanity is?

Insanity is doing the exact same fucking thing

Over and over again expecting shit to change.¹

There is always a lighthouse,

There's always a man,

There's always a city,²

Yet, the princess is always in a different castle.³

Did I ever tell you what the definition of insanity is?

Nothing is true

Everything is permitted⁴

But to be honest, there isn't much for you to do.

You can try

But you will always die

The cake is always going to be a lie⁵

Did I ever tell you what the definition of insanity is?

You gotta learn when to QUIT.⁶ This is it.

There's nothing more.

Is your life that much of a bore?

When life gives you lemons,

don't make lemonade.

Make life take the lemons back!

Get mad!

I don't want your damn lemons!

What am I supposed to do with these?!

Demand to see life's manager!

Make life rue the day it thought it could give you lemons!

Do you know who I am?!

I'm the woman who's gonna burn your house down!

With the lemons!

I'm gonna get my engineers to invent a combustible lemon that burns your house down!⁹

Did *I* ever tell *you* what the definition of insanity is?

Insanity is realizing that the delicious question is when, not what.¹⁰

Insanity is realizing that the delicious question is how, not when.

This is a story of an insane woman named Charlette.¹¹
